**RENEWED PETITION TO ACCEPT UNINTENTIONALLY DELAYED CLAIM FOR
PRIORITY UNDER 35 U.S.C. § 120**

Sir:

This renewed petition is hereby made in the above-identified case in response to the decision mailed October 21, 2005, dismissing the original petition filed September 23, 2005. Patentees hereby request acceptance of a delayed claim for priority under 35 U.S.C. § 120 to U.S. Application No. 09/992,062, now U.S. Patent No. 6,882,387, filed November 5, 2001.

This renewed petition responds to comments made by the Examiner in the Decision on Petition under 37 CFR 1.78(a)(3), dated October 21, 2005. More specifically, Patentees submit that the attached certificate of correction reflects the following corrected chain of priority, and further states that only Serial Number 09/048,754, filed on March 25, 1998, now Patent No. 6,181,397, may be incorporated by reference, since a statement to that effect was present in the original filing. Patentees believe that these changes correct for the reasons stated in the original dismissal.

The entire delay between the date the claim was due under 37 CFR 1.78(a)(2)(ii) and the date claim is made was unintentional.

The original transmittal dated November 5, 2001, incorrectly stated the chain of priority of the above-identified application. The correct chain of priority should have read --This is a division of prior application Serial Number 09/421,103, filed on October 19, 1999, now Patent No. 6,327,009, which is a division of prior application Serial Number 09/048,754, filed on March 25, 1998, now Patent No. 6,181,397. Application No. 09/048,754, filed on March 25, 1998, now Patent No. 6,181,397 is hereby incorporated by reference--.

CONCLUSION

In view of the above, Patentees believe that the comments of the Examiner have been addressed, and hereby request acceptance of a delayed claim for priority under 35 U.S.C. § 120 to U.S. Application No. 09/992,062, now U.S. Patent No. 6,882,387, filed November 5, 2001.

The required \$1,370.00 petition fee and the \$100.00 fee for the Certificate of Correction were paid with the original petition. The Commissioner is authorized to charge any additional fees as may be required for this renewed petition, or may credit any overpayment, to Deposit Account No. 13-4500, Order No. 2122-4066US2. A copy of this authorization is enclosed.

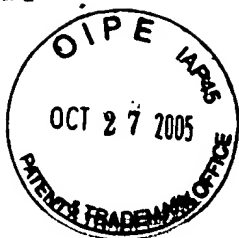

Respectfully submitted,
